MAIN FACS SOFTWARE MODIFICATION – INVOICE HEADER ENTRY SCREEN (PCHL1500) AND INVOICE DETAIL ENTRY SCREENS (PCHL1510 AND PCHL1515)
The following modification will be available to users on Thursday, July 15, 2004:

- The Invoice Header (PCHL1500) and Invoice Detail Entry (PCHL1510 and PCHL1515) screens did not always show the correct purchase order balances when an interagency voucher was deleted. The software has been modified so these screens reflect the correct balances for purchase orders associated with interagency vouchers.
